Form Last Revised: August, 2024

The *Notice of Potential Veterans' Benefits Pursuant to Massachusetts General Laws, Chapter 32, Section 4(1)(h)* notifies eligible veterans of their rights to purchase creditable service for their military service. In order to purchase such service, a member must meet the definition of "veteran" in Massachusetts General Laws, Chapter 32, Section 1.

Keep in mind:

- **You may make this purchase at anytime up to one year after you vest in the retirement system. Vesting is defined as having 10 years of creditable service.**
- **National Guard and Reservists who do not qualify as a veteran, per the definition on the veteran's buyback form, within one year of vesting, or who have not reached the maximum of four years of eligible purchase time within one year of vesting, will have additional time to make the purchase. They will have five years from the date in which they qualify as a veteran, or the date that they qualify for the full four-year purchase, whichever date last occurs, to enter into a buyback agreement**
- If you have already been granted creditable service for active duty service under Massachusetts General Laws, Chapter 32, Section 4(1)(h), you are not eligible to apply for additional credit based on that same service.
- You should contact your retirement board for an estimate of the cost of this purchase and payment options.
- Once purchased, a refund of the cost of this service is only available by a refund of all accumulated deductions.

Definition of Veteran Under Massachusetts General Laws, Chapter 32, Section 4(1)(h) and Massachusetts General Laws Chapter 4, Section 7, Clause 43:

Massachusetts General Laws, Chapter 4, Section 7, Clause 43 defines "veteran" to mean any person who served at least 180 days active duty in the Army, Navy, Marine Corps, Coast Guard or Air Force whose last discharge or release was under honorable conditions or any person who served at least 90 days of active duty including at least one-day wartime service. The definition specifically excludes active duty for training for the National Guard and Reserves from qualifying as active duty under this section.

Section 4(1)(h) grants eligible veterans, who were **honorably discharged** or **discharged under honorable conditions**, the right to purchase up to four years to add to their creditable service as a member of a retirement system due to service in the armed forces of the United States.
